A Message From Our Leadership

Mindi Anderson Executive Director/President & Founder

As we reflect on 2024, I am incredibly proud of the strides we have made as a chamber, deepening our impact across Idaho and strengthening our commitment to serving veterans, military members, and their families. Our mission—to create pathways for success in workforce, education, entrepreneurship, housing, and family wellness—has driven every initiative, partnership, and program we have launched this year.

While 2024 was a year of tremendous momentum, we are not slowing down. As we look ahead, our focus remains on sustainability, expansion, and innovation. Idaho has long been recognized as one of the most military-friendly states, and we are honored to play a role in strengthening the connection between our veteran community and the broader Idaho network. The Chamber has established meaningful partnerships that are instrumental in advancing our mission, and we are deeply grateful for the unwavering support we continue to receive from Idahoans who are committed to empowering veterans and their families.

This year, we saw remarkable growth in our navigation services, expanding outreach into rural communities and strengthening networks that connect veterans and their families with the resources they need to thrive. We've helped countless veteran entrepreneurs launch and scale their businesses, supported career transitions through workforce programs, and continued to advocate for veteran-friendly policies at both the state and national levels.

The future of the Idaho Veterans Chamber of Commerce is bright because of the incredible people who support our mission—our members, volunteers, partners, and the broader veteran community. Your dedication and belief in our work fuel our ability to create lasting impact. As we embark on another year, I invite each of you to stay engaged, advocate for those who have served, and continue building a stronger, more resilient Idaho for our veterans and their families.

Maureen O'Toole, Board Chair

In 2019, I gave a presentation to a gathering of veterans on how to start a non-profit. Mindi waved me over and asked to meet. At the time, I was navigating support for a disabled Air Force retiree father and a medically discharged Air Force son. Accessing benefits and finding support was time-consuming, frustrating, and difficult. Mindi pitched the idea for the Idaho Veterans Chamber of Commerce to help Active Duty service members, veterans, and their family members navigate services and benefits. I responded enthusiastically, "Yes! We need this!"

By 2020, Mindi and Yori were making a great idea a reality. Fast forward 4 years to 2024 and the great idea is a great organization that has helped thousands of people across 4 service areas: Education, Housing, Entrepreneurship, and Workforce Development. In 2025, we'll launch our 5th navigation service line - Family and Wellness. Whether you're new to the Chamber or have been a member for years, you're welcome here as members, volunteers, or Board or Committee members.

We launched a ["Four Years Forever Impact" Campaign](#) join us and donate today. Help empower military communities across Idaho. Our goal is to have a community of 1,000 donors give \$40 a month for 1 year. Let's build a legacy of support that extends beyond today. ~ **Together is Better!**

Thank you for being an integral part of IDVCCs journey and for making a lasting impact on the lives of those who have dedicated themselves to our country.

Board of Directors

Our Board of Directors serves the Idaho Veterans Chamber of Commerce from various regions of the State and brings a diverse background of experience in supporting our mission to launch, grow, and continue to be a valuable space for our Idaho and Military Community to come together and support the health of our eco-systems in Urban and Rural Idaho.

Our Dynamic Team

The success of the Chamber is a direct result of the team that was hired that displayed patience, an innovative passion to build and grow the organization, and flexibility with a visionary mindset in knowing the opportunities to build a strong organization to better serve the Idaho and Military Communities was the end goal. The commitment of our team goes beyond just doing a job. We saw perseverance, talent, and dedication that has led to our success. We are excited to announce we are hiring new positions in 2024 to build our team and keep up with the growth and demand of navigation services!

Education

We provide a network of educational institutes and organizations ready and willing to support veterans, military, and families in finding the right education opportunities that will lead to higher-level learning and competitive edge workforce development opportunities.

Workforce

We maintain navigation pathways for military career seekers and Idaho employers to connect with workforce opportunities through counseling, networking, career placement, certifications, apprenticeships, and education.

Entrepreneur

We collaborate with all federal, state, and local agencies that provide business consulting, mentoring, planning, education, and funding support for start-up or growth opportunities to connect our military community business owners.

Housing

We collaborate and provide support in the following areas, but not limited to, the purchase of a home, renting, homelessness, retirement community placement, and assisted living.

Family & Wellness

We collaborate with Veteran Service Organizations, the Department of Defense & military installations, non-veteran entities, and individuals to navigate veterans, military serving, and family members to resources that promote mental wellness, physical health, wealth, and morale.

We navigate!**

TOGETHER IS BETTER

ABOUT NAVIGATION SERVICES

On average, 6 hours are spent within each navigation service request guiding our veterans, military serving, and their families towards resources.

Included in those 6 hours

01

Intake

An initial intake session that allows the navigation team to get to know the member and learn more about the need to then determine which navigation pathway they will take.

02

Support

Supporting navigation pathways such as career opportunities, business launch and growth, housing benefits, and repairs, exploring the right education benefits, and so much more.

03

Resource Review

A review of all the resources we have in our toolbox navigating towards or providing tools, mentorship, or resources, and connections.

04

Collaboration and Connection (Navigation)

Introduction emails and registration links to connect them to the resources or people within the communities they live in.

05

Navigational Beacon

Follow up to make sure they get the answers they need or are still on the right path, to let them know we are here as a **NAVIGATIONAL BEACON** to help redirect if needed.

06

Ongoing Support

Continue to provide information to attend workshops or events they would benefit from.

Each request is unique and different that takes different pathways. Some are directed to veterans resources, some are directed to Idaho community resources, and some are navigated to both.

Executive Director's Award - Idaho Power

Idaho Power has not only recognized the value veterans bring to the workforce but has also taken significant steps to foster a welcoming environment where veterans can thrive. Through dedicated programs and initiatives, they have created pathways for veterans and their families, ensuring they have the resources, support, and opportunities needed for success. They have actively been working with the Idaho Veterans Chamber of Commerce to accept SkillBridge Interns and recently committed to partnering with the Chamber to accept apprenticeship veterans and service members transitioning. They have been an annual sponsor for providing free navigation and membership services, as well as supporting the Shark Tank Business Pitch competition awarding cash prizes. They attend almost every big event from golf tournaments, to galas, to luncheons we have hosted over the years.

Housing Partner Award - West Ada Career and Technical Education

West Ada CTE was selected for their dedication and willingness to take on the build of the Chambers first two tiny homes project through their Center for Technical Education students. They have neared completion of 1 and are beginning the 2nd one to have walls and a roof before winter sets in and intend to have the two tiny homes available for gifting whether that be to land if we have secured some for the future Tiny Homes Village, or Veterans that are able to accept and use a Tiny Home for affordable housing.

TOGETHER IS BETTER

Congratulations Annual Chamber Award Recipients

Micron Workforce Partner of the Year

In 2024, The Idaho Veterans Chamber of Commerce was awarded an industry sector grant in partnership with the Micron Foundation to continue to grow their reach across all of Idaho through the Workforce Development Council. Micron has been instrumental in providing support and continuously engages with the Chamber to connect with career seekers and support housing/tiny homes initiatives, and they were awarded their DoD SkillBridge Agreement in 2024 creating pathways for transitioning service members to have opportunities to acclimate to the civilian sector through an internship program that assists the service member and their families in transition.

They have a very active and engaged Veterans Employer Resource Group that is a model for other employers to follow.

Idaho National Laboratory Veteran and Family Employer of the Year

INL has gone above and beyond to make a lasting impact, supporting veterans not just as employees but as integral members of their community. Their commitment to veteran hiring, mentorship, and support programs stands as a model for other companies. They have a Veterans Council that actively supports Veteran initiatives and have a dedicated position that works with the military in transition, veterans, and their families. They have accepted 4 SkillBridge interns over the last year with more on the horizon. Their commitment to hiring veterans and providing meaningful career development opportunities has allowed service members to feel at ease with their transition. It also recognizes their efforts to create a culture that values the skills, leadership, and integrity veterans bring to the table. INL has also been a

contributing donor and sponsor to keeping navigation services free. They have awarded grants, and beneficiary funds, and encouraged their employees to donate to the Chamber totaling over \$35,000 in funding. They are also an annual sponsorship member.

Congratulations Annual Chamber Award Recipients

Idaho State University Education Partner of the Year

Idaho State University – Veterans Services Center has been an active member of the Chambers Education Steering Committee in supporting all initiatives that have been put forward to bridge the gaps. Todd Johnson and his team without hesitation volunteered to host this years 3rd Annual Veterans Partner Education Summit at the Pocatello campus where there were record breaking numbers of attendees in both person and virtually. The accommodation provided was top notch in providing space and the technology for a very successful 3-day summit. In addition, they also were a recipient of a SkillBridge Internship transitioning from the Military Service and provided him civilian transitioning experience

to working in the community, and that service member is currently working for ISU and going to school with ISU. ISU's desire to take care of Veterans in every way is truly remarkable and is making a difference one service member at a time.

John Schied, Treasure Valley Homes/ John Schied Real Estate Ambassador of the Year

John has been an ambassador since inception of the membership of the Chamber and has been supportive of all of the Idaho Veterans Chamber mission in so many different ways. From supporting career seekers to attending almost all the networking events, and community events, and most recently serving as the Idaho Veterans Chamber of Commerce Representative for the Tesla Ribbon Cutting Ceremony on short notice. He recently worked to have a Nissan Xterra donated to the Chamber to support delivery of the Amazon donations that are provided to many other nonprofits across the Treasure Valley. He holds a Community Outreach Director position with VAREP, is an ambassador for Buy Idaho, and is involved with many other

organizations. His advocacy for Veterans and Their Families wherever he is in the community is appreciated beyond measure and the Chamber can always count on seeing him at their events. He was voted as Ambassador of the Year in 2023 for the Meridian Chamber of Commerce. John is also the son of a Veteran.

Congratulations Annual Chamber Award Recipients

Small Business Administration Business Resource Partner of the Year

Idaho Small Business Development Center has been a key partner with the Idaho Veterans Chamber of Commerce since inception as a member of the Entrepreneurship steering committee. They have supported the Veteran and Spouse business owners that are referred to them in collaboration with the Chamber. The SBDC has also been a partner in providing educational workshops for business owners, masterminding groups, and more recently coffee chats. They have graciously provided space in the Nampa Business Accelerator for the Chamber to have an office for the team to come together, work together, and meet clients. The SBDC submitted a Veteran Owned business for the SBA Veteran Business Owner of the year, which was Volterra Systems

They have also been supportive in providing space as needed to allow the Chamber to receive donations from Amazon to then disburse to other nonprofit organizations in the community. Their commitment to supporting the Veterans Chamber has been appreciated beyond measure.

Eagle Mountain HR Spouse Business Owner of the Year

Pamela Ellsworth of Eagle HR Consulting who recently completed the First Business Pitch Incubator hosted by the Idaho Veterans Chamber of Commerce and Co-hosted by the Boise State University Venture College. She displayed commitment and was actively involved in each session with the Cohort and also opened up her business mindset to see her future through a different lens. Pamela also is a community leader through her interactions with the business community in Kuna and previously served with the Kuna Chamber of Commerce. She recently provided donations for in kind services for the winners of the Idaho Veterans Chamber of Commerce and BSU Shark Tank pitch competition to support their HR needs going forward. She also provides support to businesses as no cost or low cost as a servant leader in her field and community. She has been a strong advocate for the Veterans Chamber and supporter of her husband who is a Veteran.

Congratulations Annual Chamber Award Recipients

Veterans Association of Real Estate Professionals (VAREP) Veteran Resource Organization of the Year

Veterans Association of Real Estate Professionals (also known as VA-REP) has partnered several times over the last several years to support the Veterans and their families in home repair projects through volunteering and also funding projects. The VA-REP has opened up their community membership to be more inclusive of all partners that can support housing initiatives from contractors to trades, mortgage, and supporting agencies that can do more good for Veterans Together. Their mission has grown to new heights and their

accomplishments in serving Veterans and their families in the community have been impressive. The most recent project the Chamber had the opportunity to work together with them on was for a quadriplegic Veteran who suffered a series of strokes that left him paralyzed and his wife who is also a veteran and primary caregiver was longing for being able to take him out in their backyard. Unfortunately, it was not electric wheelchair friendly. VA-Rep came in with a VA approved Ramp and deck and traveled to Mountain Home to install. They support Veterans in getting connected to their VA Home Loan Benefits and so much more. They have supported the Chambers annual golf tournament over the years, and have been exceptional partners to collaborate with.

Fireside Pine Veteran Business Owner of the Year

Fireside Pine has experienced significant growth through their hard work, dedication, and commitment to entrepreneurship. They began as a small eCommerce platform that was traveling to local fairs and shows, which quickly grew into large wholesale vendor fairs and markets across the country, to just recently secured their first brick and mortar location in the meridian village next to Chik Fil A. They did not grow alone, they have also welcomed Zero Dark Thirty, another Veteran Owned business that is co-located in their space. They support local Veteran initiatives that help those that are experiencing PTS or hardships from their military service through their work with Nonprofits and also support sending packages to deployed soldiers through

their eCommerce Line. Fireside Pine will also be submitted forward to be considered for the Small Business Administration Veteran Small Business of the Year Award.

Congratulations Annual Chamber Award Recipients

Operation Grateful Hearts Family and Wellness Partner of the Year

Operation Grateful Hearts is being recognized for their unwavering dedication to supporting the holistic well-being of veterans, service members, and their families. Creating a supportive and thriving environment for veterans and military families. Operation Grateful Hearts has not only demonstrated leadership in family wellness initiatives but has also been a steadfast advocate for mental health, community connection, and long-term well-being.

Through their dedicated efforts, compassionate leadership, and deep-rooted commitment to serving those who have served, Operation Grateful Hearts has transformed lives and strengthened the foundation of support for Idaho's veteran community. We are honored to have the opportunity to grow a meaningful partnership to ensure every veteran and military family have access to the resources they need to live, work, and thrive in Idaho.

Caffeina Roasting Company Supporter of the Year

Caffeina is being honored for their outstanding dedication, partnership, and unwavering support for Idaho's veteran and military community. Caffeina has demonstrated an exceptional commitment to the mission of the Idaho Veterans Chamber of Commerce by providing strategic support, collaboration, and innovative solutions that have strengthened our programs, outreach, and overall impact. Their contributions have played a vital role in enhancing our ability to connect, educate, and empower veterans, military spouses, and transitioning service members

across Idaho. Caffeina goes above and beyond in advancing the mission of IVCC and making a lasting impact on the lives of those who have served. Caffeina's dedication and partnership embody the values of collaboration, innovation, and unwavering commitment to the veteran community.

What's Ahead for 2025?

While 2024 has been a year of tremendous momentum, our work is far from done. As we look ahead, our focus remains on sustainability, expansion, and innovation—driven by strong partnerships and community engagement.

OUR STRATEGIC PLAN

01 **Expand Home Repair Projects & Increase Home Loan Benefits Access**

- Expanding home repair projects and increasing access to VA home loan benefits will help more veterans achieve and sustain homeownership, improve their living conditions, and create long-term housing security.

02 **Enhancing Workforce & Education Opportunities**

- We will build upon collaborations with industry leaders and policymakers to increase education benefit access, employment pathways, training programs, and business-to-business connections that benefit veterans and their families.

03 **Growing Entrepreneurial Support**

- Our goal is to expand funding sources, launch new mentorship networks, and strengthen business development programs for veteran-owned and spouse-owned businesses.

04 **Deepening Our Family and Wellness Initiatives**

- Through new and existing partnerships, we will work to provide comprehensive wellness resources, financial empowerment programs, and holistic navigation services that address the full spectrum of challenges faced by the military-connected community to include spouses and children.

05 **Establishing Command Posts (Chapters) in Idaho**

- The Command Posts or Regional Chapters will serve as localized hubs to expand the reach and effectiveness of the Chamber's navigation services across Idaho. These command posts will provide boots on-the-ground support, networking opportunities, and tailored resources to meet the unique needs of veterans, military families, within their specific further bridge the gaps between the Idaho and Military Communities.

HOW CAN YOU HELP?

There are many ways to support our organization through your time, talents, and treasures. We did not build the network alone. It takes community members to create the collaboration space that allows us to provide ways to further bridge the gaps between the Idaho and Military Communities.
