Sponsorship Information

Keep Navigation Services Free!

Become a Sponsor

The purpose, mission, vision, and values of the Idaho Veterans Chamber of Commerce is to provide a free network navigation hub for all military members that have served and continue to serve and their family members.

Membership guarantees free access to navigation services provided at no cost at any time. The very same free service is afforded to the Idaho Community to connect with the military community at no cost.

Sponsorship

No military member or their family should have to pay to find the resources, and benefits that they rightfully earned serving our country through their service or their family member's service.

~ Jessica Koefod, IDVCC Board Chair

ABOUT THE BENEFICIARIES

Idaho Backcountry Veterans

Started in 2017 Idaho Back Country Veterans is a Not-For-Profit corporation registered in Idaho. They fundraise and have a series of amazing sponsors and partners that help them create natural escapes for those they help. They get vets together with each other and away from the daily grind. Like minded individuals in a comfortable environment where they can drop the shields and open up about their experiences with those that have been through the same experiences.

Idaho Combat Wounded Veterans

Idaho Combat Wounded Veterans is a nonprofit dedicated to supporting those who've bravely served and sustained combat injuries. Rooted in patriotism, they educate members, engage in legislative initiatives, and provide vital assistance to veterans and their families. The organization is a beacon of support, aiming to make a lasting impact on the lives of those who sacrificed for our freedom.

Wyakin Foundation

The Wyakin Foundation was founded in 2010 by Jeff and Rebecca Bacon and Idaho State Senator Marv Hagedorn to provide a pathway for wounded and injured post 9-11 veterans to transition through education into careers of their choosing. In 2011, the Wyakin Foundation welcomed their first class of 5 veterans; fast forward to today, the program has grown to 52 veterans pursuing a wide range of degrees and vocational trades. The program focuses on six tenets: Mentorship, Professional Development, Networking, Educational/ Financial Assistance, Community Impact, and Wyakin for Life (Alumni Network)

Idaho Veterans Chamber of Commerce

The 1st Idaho Veterans Chamber delivers wrap-around navigation services veterans, military serving, and their families to provide community resources for education, Housing, Entrepreneurship, Workforce Management, Family and Wellness services. Through a navigation network hub, we bridge the gap by building strong sustainable partnerships deeply rooted within the Idaho and Military communities through collaboration and connection.
